### **Our Summer Show 2026**

We will once again, perform our summer productions in a theatre with a large auditorium! Last year's shows were a great success, thanks in no small part to our wonderful audiences. All Family & Friends welcome 😊. Pupils who can attend term time but will not be available for show days, **can still be fully integrated into the term's classes and the production each week**- just stepping out after the last class run-through. *Please let us know though so that we can plan and ensure that other children are supported in their play.*

### **TBA & TBC!**

**TBA:** TICKET PRICES and booking links will be set-up in advance. **TBC:** STUDENT ACTOR dress rehearsal and show call times.

It is a relatively short term to rehearse once a week (as well as making sure we have time for fun drama games and activities in class); so, do let me know if you *cannot* attend the show or certain classes, as it may affect our casting choices.

**SECURE YOUR CHILD'S PLACE AND PAY YOUR £25 DEPOSIT NOW!**
